Case # 96-30016-MAP

JUL 13 2006

Your Honor:

UNITED STATES DISTRICT COURT  
BOSTON, MASSACHUSETTS

04CV

40070 NBC

First let me apologize for the informal letter as well as the pencil + lined paper. At the present I am being housed in SHU and do not have access to pen ect.

Temporary collateral damage. On Monday the 10th my councilor from the camp brought me mail from your honor. It had already been opened by him and there was no cover letter explaining why motions from the govt + myself, dating from Nov. 23, 1998 (my first for return of property) to Sept. 23, 2002 (the govt. telling me to pursue civil remedies that are available to me,) were returned to me.

I am completely in the dark regarding the reasoning behind this, and request that the Court notify me in some way to let me know what's going on. Possibly a letter with the proper notification on the outside to let the councilor know that it is to be opened in my presence only. Your understanding and co-operation regarding this matter would be greatly appreciated. Thank You so much.

ps. your office

mailed this on the 29th  
of last mo. I received it  
on the 10th of this mo.

D'Lafreniere

Respectfully Yours: D.Lafreniere 90333-038
